The Owner may consider informal any bid not prepared and submitted in accordance with the provisions hereof, and may waive any informality or reject any and all bids. Any bid received after the time and date specified shall not be considered.

### QUALIFICATIONS OF BIDDERS

The Owner may make such investigations as he/she deems necessary to determine the ability of the Bidder to supply the necessary chemicals, and the Bidder shall furnish to the Owner all such information and data for the purpose as the Owner may request. The Owner reserves the right to reject any bid if the evidence submitted by, or investigation of, such Bidder fails to satisfy the Owner that such Bidder is properly qualified to carry out the obligation of the contract by supplying the chemicals contemplated therein. Conditional bids will not be accepted.

### METHOD OF AWARD - LOWEST QUALIFIED BIDDER

If at the time this contract is to be awarded the lowest base bid submitted by a responsible Bidder does not exceed the amount of funds then estimated by the Owner as available to finance the contract, then the contract will be awarded on the bid. If such bid exceeds such amount, the Owner may reject all bids or may award the contract on the lowest bid with such deductible alternates to produce a net amount that is within the available funds.

**Award(s) will be based on the low evaluated bidder per schedule.**

In evaluating bids, the Water and Sewer Department will consider the chemical's performance standards with regard to specific application, whether or not the bids comply with the minimum requirements, and such alternates, unit prices, availability and any other data the bidder may provide with his bid. This may be done by means of past experience or research. Initial cost may not determine low bid. In case of error or discrepancy in the mathematics of the bid price, the unit prices shall prevail.

**General Instructions**

Section references are to the Internal Revenue Code unless otherwise noted.

**Purpose of Form**

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

**Note.** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
