

Board Memorandum

DATE: January 22, 2018

AGENDA ITEM: Consider Approval of Purchase of Gridsmart
Detection Camera System for the Public Works Department

RESPONSIBILITY: Bryon Fortner, P.E. – Public Works Director

PRESENTATION: This is a purchase of a back-up traffic signal
detection camera system replacing one that had to be used in an emergency
deployment at the Parkway and Park/Cate Road intersection. Gridsmart is
an approved sole source provider for the Public Works Department. Funds
will be used from the Traffic Control Capital Improvements budget.

REQUESTED ACTION: Approval of purchase in the amount of \$17,679.00.
