

Dear Hospitality Tax Partner,

Due to unforeseen circumstances we will not be going live with our new software in November as planned. A notice will be posted on the city website regarding a new start date. For the time being please continue filing your hospitality taxes using <https://hart.seviervilletn.org>.

We are still accepting registrations for the new software if you haven't previously registered. <http://step.seviervilletn.org>.

Please email us at hospitalitytax@seviervilletn.org with any questions.

Thank You
