Kids Unlimited Programs

Active Afternoons

2023 / 2024

Welcome to the Kids Unlimited Programs! Kids Unlimited consists of five programs throughout the year for children.

Active Afternoons takes place each afternoon following the school day.

Summer Adventure is a six-week program held during the summer.

Fun-Tober is during the week of fall break.

Flurry of Fun takes place during the Christmas break.

Spring Extreme is held during the week of spring break.

All these programs are supervised, organized, structured and recreational. Our staff has been carefully selected to provide your child with a safe, active, fun alternative to regular childcare. Our main purpose is to provide excellent supervision and unlimited activities which includes all kinds of sports, field trips, art, plus many more games and activities.

Please contact Deanna at 868-1875 or dhutchens@seviervilletn.org for more information.

Registration Information: Families involved in the Active Afternoons Program during the 2022/2023 school year, may register for Active Afternoons 2023/2024 when registration forms become available. You will need to secure your spot by May 15, 2023, as we will begin filling openings after that. For questions about Active Afternoons contact Deanna at 868-1875 or dhutchens@sevierville.tn.org. A completed registration form and the first payment (August 2023) are required at registration. This fee/deposit is non-refundable and non-transferable to other children or programs.

Program Dates and Times: Dates: Follows school schedule; program will start on the first full day of school and end on the last full day of school. If school is released early due to any reason, there will be no program.

Times: The program and supervision by the program staff begins at the time of pick up (approximately 3:00 pm) – ends at 5:30 pm.

Only full-time registration is accepted.

Fees: Monthly payment: \$105 per child. The monthly payment is due at the first of each month.

Fees are subject to change.

Ages: Kindergarten – 6th grade.

Older children may be allowed to participate; however, they should understand that the scheduled activities are geared for grades K – 6th and their play, behavior, language, conversation and device usage should be appropriate for our youngest participants. Also, older children may not be allowed to participate in some of the scheduled activities.

Basic Activities: An activity schedule will be available each month. Various activities include soccer, swimming, bowling, archery, fitness programs, volleyball, art projects, basketball, dodgeball, kickball, football, whiffleball, tennis, polo, pictionary, karaoke, bingo, cooking class, holiday events and activities, tournaments, competitions, plus many more games, sports, special events and activities. A snack is provided daily.

Children may also have the opportunity to participate in various field trips throughout the school year.

Participating in field trips is optional, must be signed up for, generally cost extra and generally runs past the normal ending time of 5:30 pm. The program will be as normal at the community center for children that do not wish to participate in the field trips on scheduled.

What To Bring: Children should wear appropriate clothing and shoes for the scheduled activities and for the weather conditions. We go on with our schedule, even in rain and/or cool temperatures, if possible. Parents may wish to provide sunscreen - as we are outside many afternoons. Socks are needed for bowling; swimsuit and towel are needed for swim days. We encourage children to bring a water bottle. Consult the activity schedule to determine if additional items are needed. Children are responsible for keeping up with all their belongings.

If your child chooses to bring valuable electronics, such as phones, iPods and gaming systems, most of the time the children's items are not in a secure place and these items are at risk of being stolen or damaged. Also, if your child brings an item such as this, the content and material, including music, games, pictures and internet usage should be appropriate for all ages involved in our program.

Medication: If your child needs to receive medication while they are attending the program, you must fill out a medication release form. Please see a staff person for one of these forms.

Pick Up Procedure:

Sevierville Intermediate School Children – A Kids Unlimited staff member will meet the Intermediate School children just outside the back door of the Intermediate School immediately following school.

Sevierville Middle School Children – Middle School children should meet the Kids Unlimited staff on the football field behind the Intermediate School or on the track behind the Middle School (location TBD).

See note below concerning bad weather days.

Sevierville Primary School Children – Children in the program will ride a school bus directly from the Primary to the area behind the Intermediate/Middle School. The children in our program will be on one bus, with no children above the second grade on board. A Kids Unlimited staff member will supervise these children beginning when they depart the bus.

Children from any other school – Children from other schools may participate in this program. However, we do not pick up from schools not listed above. Parents can bring their child(ren) to us. Ask the Program Supervisor for more details.

Children participating in this program should be in the correct place listed above immediately when school dismisses. It will be assumed that if a child is not at the appropriate place in a timely manner, they are not participating in the program for that day. These pick up procedures could change based on decisions made by the school system. Please check with the Program Supervisor to confirm these procedures.

In the event of rain, we may pick the children up in our City bus or van. When these conditions exist, the Middle School kids should look for the Kids Unlimited staff at the Trula Lawson covered porch area instead of the football field or track.

On rare occasions, it is possible that our bus or van would not be available for our program to use. Therefore, we may have to walk in the rain, occasionally. Please prepare your child for these conditions by providing them with the appropriate clothing and/or an umbrella.

2023/2024 Active Afternoons Program Registration Form

Child's name _____ Male or Female

Grade in School (For the school year that you are registering for) _____

Age _____ Birthday (Month) _____ (Day) _____ (Year) _____

Father's name _____ phone # _____

Mother's name _____ phone # _____

Address _____

Email _____

In case of emergency contact (other than above):

Name _____ phone # _____

Pick Up List

Any name listed above (Mother, Father, In Case of Emergency Contact) is automatically included in the pick up list. Please specify if anyone listed above is not allowed to pick up your child. Please add any additional people to your pick list here.

Dismissal by Phone

Many of our children have a cell phone and some parents like the convenience of calling their child to say they should "check out" of the program. By marking the "Yes" box below, you give our staff permission to release your child when your child tells us that someone on their pick-up list has requested for them to be released. For these situations, our staff does not actually talk to or see the pickup person – we are relying on what the child says.

Yes

☐

Medical Information: The following information is requested by the program staff so that they may be better prepared if your child needs special attention. Please respond in the space provided below as to whether your child has any of the following conditions: allergies, heart problems, physical limitation, emotional problems, headaches or any other problems that may require special staff attention. Please include any information you feel we need to be aware of.

Release Form: I, the below signed, state that I will not hold the City of Sevierville, Sevierville Parks and Recreation Department, or any persons connected with this program responsible or liable for any accident which may occur while my child is participating in the program. I have read the attached material and I am aware of the activity schedule. I give my permission for my child to be involved in all activities during the program. I also authorize the Parks and Recreation Department staff to obtain emergency treatment for my child if I cannot be reached.

I release the Sevierville Parks and Recreation from any claim for damages or compensation for their use of photographs and/or video of my child taken, individually or in a group, while my child is participating in activities sponsored by the department. All photographs and/or video shall become the absolute property of the Sevierville Parks and Recreation, which shall be entitled the use of all photographs and video. Photos and/or names might be used in the media, including the internet.
