# Flurry of Fun

## 2016-2017

**Welcome to the Kids Unlimited Programs!** Kids Unlimited consists of four programs throughout the year for children. Active Afternoons takes place each afternoon following the school day. Summer Adventure is a seven week program held during the summer. Flurry of Fun takes place during the Christmas break and Spring Extreme is held during the week of spring break. All of these programs are supervised, organized, structured and extremely recreational. Our staff has been carefully selected to provide your child with a safe, active, fun alternative to regular childcare. We provide excellent supervision of children, but our main purpose is to provide unlimited activities which include all kinds of sports, field trips, art, plus many more games and activities. Our goal is to provide children with a wide variety of activities. There is something for everyone.

**Registration Information:**

**Registration Dates:**

1. Children in the Active Afternoons Program may register early – any time after the registration forms are available.
2. Other current customers, meaning anyone who participated in last year's Flurry of Fun Program and their sibling(s) may register on November 15, space permitting.
3. On November 16, 2016 we will begin the Flurry of Fun Waiting List.

Even though you may be eligible for early registration (#1 and #2 above), you are NOT guaranteed a spot. Registration could fill at any time. First come, first serve. A completed registration form and the complete fee are required at registration. The fee is non-refundable and non-transferable to other children or programs. To register see Deanna Hutchens, Recreation Supervisor. For questions about Flurry of Fun contact Deanna at 868-1875.

**Program Dates and Times:** December 28, 29, January 3, 4 and 5.

The Flurry of Fun Program meets 8:00 am – 5:00 pm on the above dates. Children should arrive at the Sevierville Community Center gym each day by 8:45 am. Supervision by program staff begins at 8:00 am and ends at 5:00 pm each day.

**Fees:** \$100.00 for the five day program. Complete fee is due at registration.

This fee includes most lunches, an afternoon snack and most field trip admissions. Please consult the activity schedule for details.

**Ages:** Kindergarten – 6<sup>th</sup> grade. On occasion, older children may be allowed to participate, however they should understand that the scheduled activities are geared for grades K – 6<sup>th</sup> and their behavior, including language, conversation and device usage should be appropriate for our youngest participants. Also, older children may not be allowed to participate in tournaments and competitions.

**Parents with younger children** should consider the activities and field trips that we do and understand that there are some younger children that **may not be ready for a program such as this**, even if they meet the age requirement. We are involved in many different field trips that require the children to pay close attention, follow directions, stay with their group leader and keep up with their own belongings (including their clothing and money). Many of our field trips require the children to change clothes for swimming situations; they must be able to do this without supervision or help, including gathering clothing into their bag and following directions on what to do with their bags. Also, many of our field trips require us to be in areas with crowds. The children must pay close attention, follow their group leader and not be distracted. If you choose for your child to bring money, please set them up with a convenient, hands free way of carrying it and realize that while our staff will try to help them with their money when they are purchasing something, we cannot be responsible for their money.

**Basic Activities:** Activity schedules will be available a week in advance of the program starting date. Various field trips include Tram Ride to Ober Gatlinburg and Ice Skating, Movie, Golden Corral Lunch Buffet, The Island, Premier Athletics (gymnastics) and an indoor water park. The movie that the Flurry of Fun Program will be attending could be rated G or PG. Other activities include swimming, Cosmic Bowling, dodgeball, kickball, whiffleball, basketball, soccer, karaoke and art projects. Field trips and activities are subject to change.

**What To Bring:** Children should wear appropriate clothing and shoes for the scheduled activities and for the weather conditions. Most lunches are provided. A lunch menu will be issued. If you choose for your child not to eat the lunch provided, you may send their lunch. Consult the activity schedule to determine if additional items or money are needed. Throughout the program some of our field trip destinations have an arcade and/or concessions. Sending money for these situations is optional and completely up to the parent. **Children are responsible for keeping up with all their belongings, including their own money. Please provide your child with a backpack or some kind of "hands free" bag or secure pocket for them to carry their own items.**

If your child chooses to bring valuable electronics, such as phones, iPods and gaming systems, it should be understood that most of the time the children's items are not in a secure place and these items are at risk of being stolen or damaged. Also, if your child brings an item such as this, the content and material, including music, games, pictures and internet usage should be appropriate for all ages involved in our program.

**Medication:** If your child needs to receive medication while they are attending this program, you must fill out a medication release form. Please see a staff person for one of these forms.

**Dismissal by Phone**

Many of our kids have a cell phone and some parents like the convenience of calling their child to say they are in the parking lot and for them to come to the car. By marking the "Yes" box below, you give our staff permission to release your child when your child tells us that someone on their pick up list has requested for them to be released. For these situations, our staff does not actually talk to or see the pick up person – we are relying on what the child says.
