9:00 – 5:00	Day Camping at Cades Cove, Great Smoky Mountains National Park. We will be doing several camping activities which could include: hiking, driving around the cove, playing in the tents, campfire, roasting hotdogs, making smores, board games and playing in or near the creek. Consider the weather forecast and be prepared with appropriate clothing. Kids should have a wide assortment of clothing options: shorts, t-shirt, pants, light weight layers, heavier fleece or jacket, water shoes, swimsuit (optional) and tennis shoes. We suggest you bring a complete change of clothes, including extra socks and shoes and a towel in case you get wet. Concerning the creek...many times, when the children get near the creek, it results in them getting wet – even if they did not intend to get wet. If you do not want your child to get wet, please make sure your child knows that they should not get near the creek. Kids will have an option to purchase concessions or items from the campground store. Kids can bring their camp chair and blanket or sleeping bag for the tents, if they would like.
