Will it be a Cold and Wet Winter?

Whenever weather forecasts indicate the possibility of a snow or ice event, the Sevierville Public Works Department staff is ready to do their best to keep your City roads clear and usable.

To complete this often arduous task, the City has a winter weather plan in place and ready for activation when needed.

New Four-Way Stop Planned on Middle Creek Road

On December 13, drivers passing through the Middle Creek Road/Ernest McMahan Road/Fox Meadows Blvd. intersection will stop and take notice-literally-of a new four-way stop. City staff have studied this intersection, looking for ways to make it more efficient and safe.

A recent independent warrant analysis by our consultant traffic engineering firm recommended the best approach would be to install a four-way stop. Installation of traffic signals was also considered, however the analysis showed that traffic volumes were too low to justify that option. The four-way stop is expected to improve traffic flow and safety.

Sevierville Golf Club Holds 16-Event Tournament

Golfers prepare for the Ryder Cup-style final event at the Sevierville Golf Club.

From March 24-November 19, the [Sevierville Golf Club](#) held a 16-event golf tournament with 175 players in the field. Every event had a different format of play and golfers were awarded points based upon their finish at each event.

Congratulations to Will Sexton, winner of the 2017 tournament. SGC Pro Josh Bartelheim, the tournament organizer, says the 2018 16-event tournament schedule will be released early next year.
