### City Receives Second CMAQ Grant for Traffic Signal Work

The City of Sevierville and Pigeon Forge have received a second federal Congestion Mitigation and Air Quality Improvement (CMAQ) grant for traffic signal work. The first grant (\$445,750) included implementation of a Traffic Responsive Signal System along sixteen miles of the Great Smoky Mountains Parkway (I-40 exit 407 to SR66/US441 intersection). This project is in the data collection process. The second CMAQ grant (\$1,145,000) includes implementation of a Traffic Adaptive Signal System in the Dolly Parton Parkway/Veterans Boulevard corridor from Sevierville into Pigeon Forge. The two projects will improve air quality by reducing traffic delays and vehicle idling.

## Temporary Greenway Boardwalk Closure

The boardwalk on the Memorial River Greenway has been temporarily closed for repair and maintenance. The boardwalk is located behind China Town restaurant and Little Caesars Pizza (Forks of the River Parkway) on the West Prong of the Little Pigeon River.

## First Zoning Ordinance Review Meeting Held at Convention Center

The City of Sevierville Planning and Development Department held their first meeting on the

comprehensive review of City zoning ordinances. On October 14, about thirty citizens, business owners, elected officials and City staff met under the guidance of the Orion Planning Group, a professional consulting company. Orion Group staff led the group through an exercise allowing participants to get a feel for the challenges in designing commercial spaces and developments. The next meeting will take place in January 2016.
