Collier Drive Traffic Study

The City is in the process of studying traffic on Collier Drive near the intersection with the Parkway. Over the past year there have been several crashes when vehicles are attempting to turn left from Collier Drive into the Quaker Steak and Lube restaurant. As a temporary measure to reduce the number and severity of crashes, the City closed the right westbound lane on Collier in front of the restaurant. The current study will offer permanent options for consideration to improve the safety in this area.

SPD Officer Receives CEMP Award

The Certified Emergency Management Program was created to raise and maintain professional standards in the State of Tennessee. It is a program to certify basic competencies within the Emergency Management profession. Congratulations to SPD Lt. Ken Garner, the City's Homeland Security Officer, who has been recognized as a Certified Emergency Management Professional (CEMP), the highest certification offered by the State.

Lt. Garner (right) receives CEMP award from Sevier County EMA director John Matthews.

Annual Shop With SWAT Event

The SPD SWAT Team was fortunate to spend an incredible day with seven wonderful children on December 11. Over \$2,000 in local donations were received so these kids could go Christmas shopping with the team to Wal Mart and Tanger Five Oaks, followed by lunch and some quality time at the police department. Many people, organizations and businesses gave generously to make this happen. There were even people giving donations while the kids were shopping! Thanks so much for helping us provide a memorable day for these children.

(P.S.: there really are seven children in the picture....some were hiding behind presents!)

Golf Club PGA Professional Receives Award

Congratulations to our own Sevierville Golf Club PGA Professional, Ashley McGaha, on receiving the PGA Knoxville 2015 Merchandiser of the Year Award for Public/Resort golf courses. The SGC offers two 18-hole championship courses, complete clubhouse/restaurant and an extensive practice area.
