2017 Citizen Survey Results

The City of Sevierville has received the results of the National Citizen Survey conducted earlier in 2017. The City received very high ratings for safety of the city, including police and fire services and several Public Works functions, such as garbage collection and sidewalk maintenance.

Most respondents expressed experiencing a good quality of life in Sevierville and believe Sevierville is a good place to live. The overall quality of life in Sevierville was rated as 'excellent' or 'good' by 87% of respondents. 89% of respondents would recommend Sevierville as a place to live to others.

According to the survey, Sevierville residents are optimistic about the economy, want Sevierville to invest in its future, and feel that safety is a priority for the community.

Reminder: Shooting Fireworks Not Allowed in City

With the Fourth of July holiday approaching, the City of Sevierville would like to remind citizens and visitors that shooting fireworks without a permit is not allowed within the City limits. This ordinance is in effect throughout the year.

Sevierville Fire Chief Matt Henderson and Police Chief Don Myers say that while they want residents and visitors to enjoy the holiday, they hope it will be celebrated in a safe manner. They note that fireworks are banned in the City because of the potential dangers of personal injury and fires.
