

Motivating & educating Sevier County residents and guests to take greater responsibility for improving our community's environment.

Recycling

We work hand-in-hand with Sevier Solid Waste, Inc. to keep 70% of our waste out of the landfill.

Litter Prevention

Reducing litter to preserve the beauty of our community and the Great Smoky Mountains National Park.

Beautification

Enhancing the beauty of our area through community gardens, restoration and plantings.

Education

Educating and engaging residents and businesses on litter prevention, recycling, and beautification opportunities.

We Recycle... Do YOU?

SEVIER COUNTY BOASTS THE HIGHEST RECYCLING RATE IN THE STATE OF TENNESSEE

ALL THE WASTE FROM THIS BUSINESS IS TAKEN TO SSWI, THE LARGEST MSW COMPOST FACILITY IN THE NATION

60% OF ALL THE WASTE FROM THIS BUSINESS WILL BE COMPOSTED

- All our organic waste (such as paper and foodwaste) become grade A compost - used throughout the Southeastern United States for farmers and soil erosion control
- With all SSWI recycling efforts (shown in table below), Sevier County has a 70% recycling rate

Sevier Solid Recycling (in tons) per year

COMPOST	>73,400
MULCH	>3,800
CARDBOARD	>4,800
MIXED PLASTIC	>450
GLASS	>120
ELECTRONICS	>110
USED OIL	>40
TIRES	>700

ORGO COMPOST IS AVAILABLE FREE FROM SEVIER SOLID WASTE, 865.453.5676, FOR COUNTY RESIDENTIAL AND COMMERCIAL USE.
